**NORTESCO** INC.  
Designer Brands for Kitchen & Bath

## Poetic Luxury at its Best!

Julia-Victoria faucets offers a world of classical poetic luxury to any kitchen or bathroom. An iconic design that goes back to HORUS's beginnings, these faucets add an elegant, sophisticated touch, but remain modern and timeless.

**NOTE:** Nortesco is building inventory on rough-ins for HORUS, to ensure quicker deliveries despite the vast range of products offered.

## Catalano Updates!

**Catalano has several product changes:**

The design of the VSSFN & BSSFN bidets have been updated! These products are now known as VSF54 & BSF54.

**The following items will be discontinued:**

PIBI, PICR, PINE, 50ZN.

Stock available while current quantities last.

## New pricelists in effect NOV 1!

Take advantage of current prices by contacting your Nortesco sales representative for current net pricing programs.
