

NEW PRODUCTS

Handcrafted in Lancashire

Waterstone:

Nortesco is very proud to introduce Waterstone to our program! All products are proudly made in the USA, and available in 31 finishes! NO ONE can offer a complete suite the way Waterstone does. Each series is complete with a filtration faucet, prep faucet, bar faucet, kitchen faucet, side spray, pot filler, soap dispenser, and the stunning Gantry and PLP faucets. We guarantee you will share our excitement once you see and feel the quality of their products. The Traditional "PLP" Positive Lock Pulldown faucet deserves extra attention. Available in solid brass construction, this faucet can be suited with any combination of 13 faucets and accessories, available in 31 finishes. Also available are extended reach faucets.

Horus Echo:

A highlight to the new HORUS 2012 price list is the new ECHO faucet. A sleek contemporary basin faucet with pop up is sure to be a big hit at only \$402 list. A matching shower system will be available in 2012 also.

Shaws Entwistle:

We have added a new sink to our Shaws collection. It is a single bowl 30" version of the popular Egerton. Available in white at \$1399 or biscuit at \$1499, in stock now. (Stock Code: EDF8817)

IMPORTANT NOTICES
