NEW!

WATERSTONE 5700 & 5800 PLP

Perfect for those that prefer the feel of a larger spray head, without compromising on a more modern design.

This new PLP incorporates the best of both for a spectacular combination.

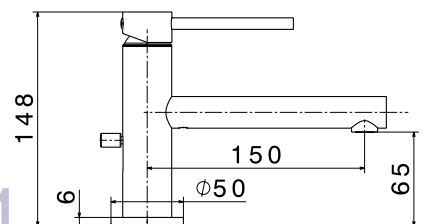

IMPORTANT NOTICES

ROMAN

- R2DMCS medicine cabinet from Roman has been discontinued by the supplier.
- SFLP12EV and SFCP12EV shower panels with integrated thermostatic systems have been discontinued by Roman.

NEWFORM

- The specification for 61311 on page 60 of the price book is incorrect. The length of the spout for this model is in fact 150mm, not 125. Click on the drawing to download the proper specs. For the 125mm length, please order 61310.

61311

- Page 62 of the Newform price list does not mention the shut off rough (#10866 at \$145) or the trim (62265E CH at \$199) which can be used for additional outlets.
